in Jesus Christ our Lord.

For your prayers this week:

- For all who are travelling on holiday over the summer

Used Postage Stamps

A BIG thank you to anyone who has donated used postage stamps. These go to a charity called 'Canine Partners' who provide highly trained specialist assistance dogs, who help to make everyday life of disabled people in the UK a lot easier. Please continue to donate used postage stamps in the box as you come into Church or pass them to Susie Dean. Let us continue to help build a brighter future for all who deserve both the physical and emotional support a canine partner can provide.

Inclusive Church

We are working towards removing any barriers to ensure our services and other activities are accessible to all.

God has created each of us uniquely and we welcome everyone to our services and activities.

We ask that everyone is mindful of each other and there may be times during the service when the safe space in the Lady Chapel would be a more comfortable place. Here you can see and hear the service and access sensory toys, quiet spaces and comfortable seating. It is accessed via the door you came in and is available to anyone who needs it. We just ask that anyone under 18 is accompanied by their responsible adult.
